Address The Review, High Point, N. C.

Miss Pauline Bush, the Universal actress who plays with Ray Gallagher and Lon Chaney, was married April 24th to Alton Dawn, director of the Famous players. Miss Bush will continue her work with the Universal and will play with J. Warren Kerrigan.

Paul Panzer, who is remembered for his part of Owen, the villain, in "The Perils of Pauline," has returned to moving pictures after touring.

In the death of John Bunny, which occurred April 26th, the world loses its pious or comedian, having been in motion pictures four years and on the stage 26 years. He was the man of a million faces.

Some fine releases on the Universal Program are "Revenge," with Hank Mann, "The Girl Who Had a Soul," with Matt Moore and Mary Fuller, "The Corsican Brothers," with King Baggot and Jane Gail.

Lee Moran, Billie Rhodes and Jack Dillon appear in a two reel comedy of roar and laughter entitled "Almost a King."

Tom Walsh, who played Barcus in the "Trey O' Hears," will be assistant director of the Joker Comedies.

A timely war feature of interest is "Tiny Hands," with Sidney Ayres and Doris Pawn, which deals with a husband who has to go to war and leaves his wife and child who dies when he is at war and he has to beg shelter from a haughty widow and when he sees her child memories of the past come to him and at the close of war, he and the widow are fast friends.

Cleo Madison appears in an interesting drama of the ghetto entitled "The Faith of Her Fathers," she taking the part of a Jewish minister's daughter, assisted by Murdock McQuarrie and Joe King.

The first Universal in which Hobart Bosworth will appear in is "Fatherhood," a good picture.

Send in your questions about motion pictures. See department elsewhere.

With "Exploits of Elaine" as a star feature the Rose has a good program each day.

The Point theatre here shows the Universal Program, which is one of the best made. They employ the foremost stars and are still continuing to employ more famous stars. They own the only city devoted to motion pictures in the world. They own this city and take their pictures in it. They own saddleries, stables, armories, stores, buildings, cafes and everything required to make good motion pictures. They own a larger amount of scenery than any other company. They own the largest store-room of costumes, furniture, etc. They employ such noted stars as J. Warren Kerrigan, Vera Sisson, Murdock McQuarrie, Agnes Vernon, Robt. Leonard, Ella Hall, Grace Cunard, Francis Ford, Herbert Rawlinson, Anna Little, Cleo Madison, Joe King, Billie Ritchie, Max Asher, Hank Mann, Gertrude Shelby, Eddie Lyons, Victoria Forde, King Baggot, Helen Leslie, Jane Gail, M. K. Wilson, Frank Lloyd, Ben Wilson, Dorothy Phillips and others. Two fine features this week at the Point are "Mavis of the Glen," with Robt. Leonard and Ella Hall, late stars of the "Master Key" today (Thursday) and "His Smashing Career," with the irresistible Ford Sterling tomorrow (Friday). Now that we have told you about their players and possessions it is your duty to see these famous stars in comedies, societies, westerns, etc., at the Point Theatre.

Clay County Leading—Doing Best Work in Registering Births and Deaths.

From a report just issued by the State Board of Health, Clay county is perhaps doing the best work in registering all her births and deaths. For the first quarter of this year she leads with an annual rate of 46.0 births per 1,000 population. Yancey is her close rival. Other counties doing good work are Dare, with a rate of 43.4; Mitchell, 13.2; Martin, 41.6; Gates, 41.2 and Madison, 40.7. The counties showing the lowest birth rate are Craven with a rate of 11.8; Currituck, 12.2; Camden, 13.1; Robeson, 13.4, and Bertie 13.8.

These counties, we must believe, have not awakened to the necessity of reporting all their births and deaths. Probably they are not aware that the Vital Statistics law of the state is not sleeping. Only within the last six weeks were 25 prosecutions made of doctors and undertakers who failed to report births and deaths. That these counties may wake up and not be caught napping, is merely a gentle warning.

It will be remembered that Clay county has a population of less than 4,000, but with a rate of 180 births a year, she will soon catch up with other counties, at least in point of population. At the above rate, Dare will increase her population during the year 212, Mitchell, 392; Martin, 784; Gates, 432 and Madison, 820. Yancey will increase hers 572; Craven only 312 and Currituck only 100.

Clay and New Hanover report the greatest number of their deaths. Other counties reporting well are Vance, Wilson and Transylvania. Counties reporting the fewest number of their deaths according to the population are Craven, Cherokee, Swain, Stokes, Pamlico and Watauga.

A county reporting a low death rate and at the same time a low birth rate indicates one of two facts, either that the county itself is at the point of stagnation or that its doctors, undertakers and midwives are not on their jobs as county officials.

COULD NOT SLEEP, COULD NOT EAT

Woman So Weak and Nervous Could Not Stand Her Children Near Her—Vinol Changed Everything for Her

Plant City, Fla.—"I wish I could tell everybody about Vinol. For nine years I was in bad health. I got so I could not sleep, and I could not stand it to have my children come near me. I could not even sew or do any heavy housework. I was simply tired all the time. I tried so many medicines I could not recall them all, but nothing did me any good. One day a friend asked me to try Vinol and said it was the best tonic she ever saw. I did so, and soon got the first good night's sleep I had had for a long time. Now I sleep well, my appetite is good, my nervousness is all gone and I am so strong and well I do all my housework and work in my flower garden without feeling tired or nervous. Vinol has made me a well and happy woman."

—Mrs. C. H. MILLER, Plant City, Fla.

Vinol contains the curative, healing principles of fresh cod livers (without oil) and tonic iron.

We ask every weak, run-down, nervous person in this vicinity to try Vinol, our delicious cod liver and iron tonic without oil, on our guarantee to return their money if it fails to benefit.
